Sommario/riassunto	In dieser Arbeit werden bezüglich Frauen in der (britischen) Politik zwei zentrale Ziele verfolgt: Erstens erfolgt eine eingehende Auseinandersetzung mit den Determinanten, welche die politische Partizipation von Frauen bedingen. Zweitens wird für eine Erweiterung des gängigen Analysemodells von politischer Partizipation von Frauen plädiert. Die Diskussion um diese Erweiterung erfolgt sowohl auf theoretischer als auch auf empirische Ebene durch neue, im Rahmen dieser Studie erhobene Daten. Im Zentrum der Arbeit steht die Entwicklung der politischen Partizipation von Frauen in Großbritannien: es wird u.a. die Entwicklung der Repräsentation in Parlament und Regierung sowie die Rolle der Frau in der Labour Party untersucht.

Sommario/riassunto	Recent studies of Heidegger's involvement with National Socialism have often presented Heidegger's philosophy as a forerunner to his political involvement. This has occurred often to the detriment of the highly complex nature of Heidegger's relation to the political. Heidegger and the Political redresses this imbalance and is one of the first books to critically assess Heidegger's relation to politics and his conception of the political. Miguel de Beistegui shows how we must question why the political is so often displaced in Heidegger's writings rather than read the political into Heidegger. Exploring Heidegger's ontology where politics takes place after a forgetting of Being and his wish to think a site more originary and primordial than politics, Heidegger and the Political considers what some of Heidegger's key motifs - his emphasis on lost origins, his discussions of Holderlin's poetry, his writing on technology and the ancient Greek polis - may tell us about Heidegger's relation to the political. Miguel de Beistegui also engages with the very risks implicit in Heidegger's denial of the political and how this opens up the question of the risk of thinking itself. Heidegger and the Political

is essential reading for students of philosophy and politics and all those interested in the question of the political today.
