1. Record Nr.   UNINA9910375972303321

   Autore   Zhu Jinshu

   Titolo   Proceedings of 2018 International Conference on Mathematics and Artificial Intelligence / / Jinshu Zhu

   Pubbl/distr/stampa   New York, New York : , : Association for Computing Machinery (ACM), , 2018

   Descrizione fisica   1 online resource (95 pages) : illustrations

   Disciplina   006.3

   Soggetti   Artificial intelligence
   Computer science - Mathematics

   Lingua di pubblicazione   Inglese

   Formato   Materiale a stampa

   Livello bibliografico   Monografia

   Sommario/riassunto   The aim of this conference was to influence the spawning of new areas of applied mathematics and the strengthening of the scientific underpinnings of artificial intelligence, to provide a great platform for researchers, academicians and industry persons of these fields to exchange new ideas and application experiences face to face, to establish business or research relations and to find global cooperation. It covered a broad range of topics in the field, such as AI and digital entertainment, information agents, big data, cognitive modelling and computing, machine learning, evolutionary computation, etc.
