Sommario/riassunto	<p>On behalf of the entire organizing committee we proudly welcome you to the 7th ACM International Symposium on Pervasive Displays - PerDis 2018 for short. This year, it is being held in Munich, Germany. After now six previous symposia, 2012 at the University of Minho in Porto, Portugal; 2013 at Google in Mountain View, California, USA; 2014 at the University of Copenhagen in Denmark; 2015 at the University of Saarbruecken in Germany; 2016 at the University of Oulu in Finland, and 2017 at the Universita della Svizzera italiana (USI) in Lugano, Switzerland, PerDis has firmly established itself as the place to network with a diverse but focused research community in the highly interdisciplinary field of pervasive displays.</p>
