1. Record Nr.   UNINA9910376185203321

   Autore   Ahmad Aftab

   Titolo   Communications & networking simulation symposium

   Pubbl/distr/stampa   [Place of publication not identified], : Simulation Councils, 2008

   Descrizione fisica   1 online resource (206 p.;)

   Collana   Simulation series Communications & networking simulation
                          symposium

   Soggetti   Computer simulation
                          Computer networks - Computer simulation
                          Telecommunication systems
                          Mathematical models
                          Engineering & Applied Sciences
                          Computer Science

   Lingua di pubblicazione Inglese

   Formato   Materiale a stampa

   Livello bibliografico Monografia

   Note generali   Bibliographic Level Mode of Issuance: Monograph
