

1. Record Nr.	UNINA9910376601803321
Autore	Reveillere Laurent
Titolo	EuroSys '15 : Proceedings of the Tenth European Conference on Computer Systems / / Laurent Reveillere, Tim Harris, Maurice Herlihy
Pubbl/distr/stampa	New York, NY : , : Association for Computing Machinery, , 2015
ISBN	1-4503-3238-2
Descrizione fisica	1 online resource (503 pages)
Disciplina	004
Soggetti	Computers Computer systems
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	It is hard to believe that it is already ten years since the first EuroSys conference in Leuven in 2006. In the years since that first meeting, EuroSys has grown a reputation as one of the leading systems conferences. We believe that this year certainly follows that trend.
