

1. Record Nr.	UNINA9910380741403321
Titolo	Schizophrenia Treatment Outcomes : An Evidence-Based Approach to Recovery // edited by Amresh Shrivastava, Avinash De Sousa
Pubbl/distr/stampa	Cham : , : Springer International Publishing : , : Imprint : Springer, , 2020
ISBN	3-030-19847-2
Edizione	[1st ed. 2020.]
Descrizione fisica	1 online resource (351 pages)
Disciplina	616.898206
Soggetti	Clinical psychology Psychiatry Public health Nursing Clinical Psychology Public Health
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Amongst Patients with Schizophrenia—A Learning Curve for Psychiatrists -- Living Healthy with Schizophrenia—A Consumer's Approach -- Gender and Outcome in Schizophrenia -- Outcome of Schizophrenia in Low- and Middle-income Countries -- Neurocognition and Treatment Outcomes in Schizophrenia -- Cannabis and Recovery in Schizophrenia -- Concept and Model of Recovery -- A Model and Evidence Base for Achieving Complete Recovery in Schizophrenia -- Biological Markers for Outcome and Recovery in Schizophrenia -- Outcome Measurement In Schizophrenia: Challenges and Barriers -- Suicide and Schizophrenia—Factors Affecting Recovery -- Resilience as a Measure of Outcome and Recovery in Schizophrenia -- Stigma—A Clinical Risk Factor for Psychopathology and Recovery -- Attenuated Psychosis Syndrome -- Outcome Determinants and Parameters in Late-Life Schizophrenia -- Behavioural and Psychological Symptoms Occuring in Dementia -- Objectives of Recovery from Schizophrenia -- Metabolic Syndrome in Bipolar Disorder -- Co-morbid Psychiatric and Physical Disorders -- Recovery in Severe Mental Disorder and

Comorbidity -- Peer Supports in Recovery -- Early Intervention in Psychosis -- Yoga and Outcome of Schizophrenia -- Psycho-education in Schizophrenia -- Transitioning from Hospital-Based Care to Community-Based Models of Care -- Cognitive Behaviour Therapy and its Role in the Outcome and Recovery from Schizophrenia -- Experience of Psychiatrists Regarding Recovery of the Mentally Ill in Rural India, with Case Reports -- Evidence-Based Outcome for the Interventions in Childhood-Onset Schizophrenia.

---

Sommario/riassunto

This book analyzes schizophrenia management in the context of recent clinical therapeutic advances that have transformed the measurements and outcomes landscape. Unlike any other resource, this volume carefully develops the social and clinical guidelines that affect the life of the patient and defines its role in schizophrenia treatment outcomes. The text begins by determining the concepts, development, neuroscience, and guidelines for positive outcomes before analyzing the gaps in the literature. The text addresses medical concerns in relation to outcomes in schizophrenic patients, including substance use, impact from antipsychotic medications, and medical comorbidities. The text also covers external determinants that may inhibit positive outcomes, including cultural factors, stigma, and environmental issues. Written by experts in schizophrenia care, this book compiles sound research, current clinical trends, and modern measurement markers into a well-organized compendium that delivers this data into a practical guide for measuring treatment outcomes in patients suffering from the disease. Schizophrenia Treatment Outcomes is the ultimate guide for psychiatrists, psychologists, nurses, social workers, and all medical practitioners interested in improving outcomes for schizophrenia patients.
