Nota di contenuto	Introduction -- The Human Soul -- Faith -- Tradition -- Miracles -- Natural and Supernatural -- The Land of Israel -- The Commandments -- Eschatology.
Sommario/riassunto	In Halakhah in a Theological Dimension, David Novak argues that Jewish law (halakhah) is grounded on a set of theological assumptions relating to the covenant between God and Israel. Novak's study is fundamental for understanding both his later work on the Covenant and the continuing philosophical discussion of the relationship between religious law and theology.
