

1. Record Nr.	UNINA9910397955603321
Titolo	Jurnal rekayasa proses
Pubbl/distr/stampa	Yogyakarta, Indonesia : , : Chemical Engineering Department, Faculty of Engineering, Universitas Gadjah Mada
ISSN	2549-1490
Descrizione fisica	1 online resource
Soggetti	Chemical engineering Chemical engineering - Indonesia Electronic journals. Periodicals. Indonesia
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Sommario/riassunto	Current topics related to chemical and biochemical process exploration and optimization which covers multi scale analysis from micro to macro and full plant size.
