Sommario/riassunto	This concise bibliography on South-African Languages and Linguistics was compiled on the occasion of the 20th International Congress of Linguists in Cape Town, South Africa, July 2018. The selection of titles is drawn from the Linguistic Bibliography and gives an overview of scholarship on South African language studies over the past 10 years. The introduction written by Menán du Plessis (Stellenbosch University) discusses the most recent developments in the field. The Linguistic Bibliography is compiled under the editorial management of Eline van der Veken, René Genis and Anne Aarssen in Leiden, The Netherlands. Linguistic Bibliography Online is the most comprehensive bibliography for scholarship on languages and theoretical linguistics available. Updated monthly with a total of more than 20,000 records annually, it enables users to trace recent publications and provides overviews of

older material. For more information on Linguistic Bibliography and Linguistic Bibliography Online, please visit [brill.com/lbo](http://brill.com/lbo) and [linguisticbibliography.com](http://linguisticbibliography.com). The e-book version of this bibliography is available in Open Access .
