Sommario/riassunto	This concise bibliography on Sign Languages was compiled on the occasion of the 20th International Congress of Linguists in Cape Town, South Africa, July 2018. The selection of titles is drawn from the Linguistic Bibliography and gives an overview of scholarship on Sign language over the past 10 years. The introduction is by Myriam Vermeerbergen (KU Leuven andamp; Stellenbosch University) and Anna-Lena Nilsson (NTNU – Norwegian University of Science and Technology) discusses the most recent developments in the field. The Linguistic Bibliography is compiled under the editorial management of Eline van der Veken, René Genis and Anne Aarssen in Leiden, The

Netherlands. Linguistic Bibliography Online is the most comprehensive bibliography for scholarship on languages and theoretical linguistics available. Updated monthly with a total of more than 20,000 records annually, it enables users to trace recent publications and provides overviews of older material.
