Sommario/riassunto	This book provides a core revision resource for candidates sitting part 2 of the FRCOphth and other UK and international qualifying exams such as the FRCS, MRCS, FAMS and FRANZCO. Clear, didactic chapters logically outline the requirements for Structured Vivas and Objective Structured Clinical Examination with 'Do's and Don'ts' for each section. Viva and OSCE Exams in Ophthalmology: A Revision Study Guide fills the need for a study companion that contains all the required resources in a single usable guide for candidates sitting fellowship exams to become a registered ophthalmologist or surgeon. Ophthalmic specialist trainees, specialty doctors, staff grades, and associate specialists who

wish to become a fellow will find this book to be an essential guide to
revising for oral and clinical based exams in ophthalmology. .
