Intersex and education: What can schools and queer school projects learn from current discourses on intersex in Austria -- 13. Conclusions: Queering 'Politics of Pain' through activism and educational outreach work.

---

#### Sommario/riassunto

This book brings together leading scholars researching the field of gender, sexuality, schooling, queer activism, and social movements within different cultural contexts. With contributions from more than fifteen countries, the chapters bring fresh insights for students and scholars of gender and sexuality studies, education, and social movements in the Global North and South. The book draws together both theoretical and empirical contributions offering rich and multidisciplinary essays from scholars and activists in the field focusing on outreach work of QSM (Queer Social Movements) in schools, queer activism in educational settings, and the role of QSMs in supporting and informing queer youth.
