Sommario/riassunto	The conference has attracted papers from many international researchers and scholars in this field with burgeoning applications touching upon various sectors of Artificial Intelligence. Through our efforts, we tried to spread the news about ICIAI2019 to as many relevant researchers in the world as possible. Towards that we were blessed with an energetic team, the members of which worked side-by-side which resulted in optimization of coordination among all. For now we are optimistic getting the proceedings of ICIAI2019 archived in the ACM Digital Library. We appreciate that every author of ICIAI2019 wants to maximize the attraction of his/her manuscripts and we will try our best to support them in their endeavors.
