Sommario/riassunto

This book gathers a selection of refereed papers presented at the 8th International Conference on Kansei Engineering and Emotion Research 2020 (KEER 2020), which was held in Tokyo, Japan, 7–9 September 2020. The contributions address the latest advances in and innovative applications of Kansei Engineering and Emotion Research and related topics. This book caters researchers and graduate students in the field of design, art, Kansei engineering, and other engineering fields, psychology, physiology, and education. .
