The Enframing Prime-

	time Context Is All: Structuralisms, Semiotics, and Cultural History Structuralism and the Concepts of "Structure"
Sommario/riassunto	This new edition of William Doty's critically acclaimed study provides a comprehensive guidebook to the many schools of interpretation in this burgeoning field. William Doty's popular text has been hailed as the most comprehensive work of its kind. Extensively rewritten and completely restructured, the new edition provides further depth and perspective and is even more accessible to students of myth. It includes expanded coverage of postmodern and poststructuralist perspectives, the Gernet Center, mythic iconography, neo-Jungian approaches, and cultural studies, and it summarizes what is new i
