Record Nr.	UNINA9910291253403321
Autore	Santoro, Lorenzo
Titolo	Roberto Farinacci e il Partito Nazionale Fascista 1923-1926 / Lorenzo Santoro
Pubbl/distr/stampa	Soveria Mannelli : Rubbettino, 2008
ISBN	978-88-498-1962-5
Descrizione fisica	399 p. ; 24 cm
Collana	Università
Disciplina	324.2450238092
Locazione	FLFBC FSPBC
Collocazione	324.24 SAN 1 UCONC 62
Lingua di pubblicazione	Italiano
Formato	Materiale a stampa
Livello bibliografico	Monografia

2. Record Nr.	UNINA9910452987803321
Titolo	Greening libraries / / edited by Monika Antonelli and Mark McCullough
Pubbl/distr/stampa	Los Angeles : , : Library Juice Press, , 2012 ©2012
ISBN	9781936117963 1936117967
Descrizione fisica	1 online resource (270 pages) : illustrations (black and white)
Disciplina	027
Soggetti	Libraries - Environmental aspects Libraries and community Library buildings - Environmental aspects Environmentalism Libraries - United States Libraries - Canada Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Chicago standard operating procedure / by Greta Bever -- Building a green community at the Concordia University Library / by Krista M. Reynolds -- Santa Monica Public Library collaborates with city department to create a sustainability destination / by Nancy Bender -- Not every green library needs to be gold or platinum / by Adrianne Ralph -- Sustainable library design : a case study of library construction on the East end of Long Island, N.Y. from 2007 to 2009 / by Samantha Jane Alberts -- Greening libraries in historic buildings / by Rebekkah Smith Aldrich -- From grass roots to vital player : Michigan State University's Library Environmental Committee / by Michael Unsworth, Susan K. Kendall and Kriss Ostrom -- Tending the garden : growing your own green library committee / by Christine Andresen, Amy Gustavson, David Hisle, and Matthew Reynolds -- West Vancouver Memorial Library : green by nature / by Julie Backer -- Greening a library, greening a community : the Calgary Public Library's

eco-action plan / by Rosemary Griebel -- Library-sponsored sustainable living outreach in Denver / by Kate Lawrence -- Going green @ your library : one librarian's lessons in programming / by Robbie Sittel -- Bookmobiles are going green / by Kathryn Totten -- Toward sustainable conferences : going green at the 2009 ACRL 14th National Conference in Seattle / by Charles Forrest, Karen Munro, and Kate Zoellner -- Green librarians blogging / by Beth Filar Williams -- Resources for greening libraries / compiled and annotated by Laura L. Barnes -- Beyond swag : reflections on libraries, pencils, and the limits of "green" consumerism / by Dave Hudson -- Environmental programs and green practices : an American Library Association timeline from 1989-2010 / by Maria A. Jankowska -- Building on green : sustainable thinking goes beyond green to unite library space and community / by Audry Barbakoff and Brett Barbakoff -- The public library's role in the Transition Towns movement / by Monika Antonelli.

	Autore	Kim Shiho
	Titolo	Automotive cyber security : introduction, challenges, and standardization / / Shiho Kim, Rakesh Shrestha
	Pubbl/distr/stampa	Cham, Switzerland : , : Springer, , [2020] ©2020
	ISBN	981-15-8053-7
	Edizione	[1st ed. 2020.]
	Descrizione fisica	1 online resource (XVII, 216 p. 78 illus., 76 illus. in color.)
	Disciplina	303.4832
	Soggetti	Automated vehicles - Computer networks - Security measures
	Lingua di pubblicazione	Inglese
	Formato	Materiale a stampa
	Livello bibliografico	Monografia
	Sommario/riassunto	This book outlines the development of safety and cybersecurity, threats and activities in automotive vehicles. This book discusses the automotive vehicle applications and technological aspects considering its cybersecurity issues. Each chapter offers a suitable context for understanding the complexities of the connectivity and cybersecurity of intelligent and autonomous vehicles. A top-down strategy was adopted

to introduce the vehicles' intelligent features and functionality. The area of vehicle-to-everything (V2X) communications aims to exploit the power of ubiquitous connectivity for the traffic safety and transport efficiency. The chapters discuss in detail about the different levels of autonomous vehicles, different types of cybersecurity issues, future trends and challenges in autonomous vehicles. Security must be thought as an important aspect during designing and implementation of the autonomous vehicles to prevent from numerous security threats and attacks. The book thus provides important information on the cybersecurity challenges faced by the autonomous vehicles and it seeks to address the mobility requirements of users, comfort, safety and security. This book aims to provide an outline of most aspects of cybersecurity in intelligent and autonomous vehicles. It is very helpful for automotive engineers, graduate students and technological administrators who want to know more about security technology as well as to readers with a security background and experience who want to know more about cybersecurity concerns in modern and future automotive applications and cybersecurity. In particular, this book helps people who need to make better decisions about automotive security and safety approaches. Moreover, it is beneficial to people who are involved in research and development in this exciting area. As seen from the table of contents, automotive security covers a wide variety of topics. In addition to being distributed through various technological fields, automotive cybersecurity is a recent and rapidly moving field, such that the selection of topics in this book is regarded as tentative solutions rather than a final word on what exactly constitutes automotive security. All of the authors have worked for many years in the area of embedded security and for a few years in the field of different aspects of automotive safety and security, both from a research and industry point of view.
