Sommario/riassunto	Based on an exploration of both pre-Nazi and Nazi theory and practice, Pete Kakel challenges the dominant narrative of the murder of European Jewry, illuminating the Holocaust's decidedly imperial-colonial origins, context, and content in a book of interest to students, teachers, and lay readers, as well as specialist and non-specialist scholars.

2. Record Nr.	UNINA9910420947603321
Titolo	Rosacea / / edited by John Havens Cary, Howard I. Maibach
Pubbl/distr/stampa	Cham : , : Springer International Publishing : , : Imprint : Springer, , 2020
ISBN	9783030520977 3030520978

Psychosocial Impact of Rosacea -- 13. Demodex Folliculorum: Role of Pathogenesis or Association.-14. Rosacea in Skin of Color.
Sommario/riassunto	This concise, comprehensive book provides the most recent updates on rosacea management strategy, pathophysiology, genetic and environmental contribution, comorbidities, and other various topics. It meets the market need for a book that examines topics that are not typically included in rosacea textbooks. Beginning with a discussion on the current clinical understanding of the disease, this book reviews the aforementioned topics in a thorough yet accessible fashion. Complete with tables detailing a variety of drugs in an unbiased manner as well as color photos of real patients, each chapter aims to relay useful, practical information to dermatologists at every stage in their career. A valuable contribution to the Updates in Clinical Dermatology Series, Rosacea aims to promote the rapid and efficient transfer of medical research into clinical practice for the benefit practitioners and patients alike.
