Collana	Reti Medievali. E-Book ; ; 19/III
Disciplina	349.4
Soggetti	Law - Europe
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	The essays gathered in the volume, thanks to a long series of in-depth studies, have resulted in a closer look at many crucial milestones in the history of European legal and political philosophy, both from the perspective of the common "ius commune" (civil and canon) and in particular rights of the individual jurisdictions. Analysis of strictly theoretical aspects are analysed along with reviews on the subject of specific and concrete experiences; also stories from books and texts have been analysed as elements of solicitation of cultural debate.
