Nota di contenuto	Preface -- Table of Contents -- About the Editors -- About ICSIP 2012: Conference Details, Organizing Committee -- Papers -- Author Index.
Sommario/riassunto	The proceedings includes cutting-edge research articles from the Fourth International Conference on Signal and Image Processing (ICSIP), which is organised by Dr. N.G.P. Institute of Technology, Kalapatti, Coimbatore. The Conference provides academia and industry to discuss and present the latest technological advances and research results in the fields of theoretical, experimental, and application of signal, image and video processing. The book provides latest and most informative content from engineers and scientists in signal, image and video

processing from around the world, which will benefit the future
research community to work in a more cohesive and collaborative way.
