Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction -- Chapter 1: The Impact of The Calculus of Consent -- Chapter 2: Institutions and Constitutions: The Economic World of James M. Buchanan -- Chapter 3: On Some Neglected, But Profound, Contributions of Gordon Tullock -- Chapter 4: Buchanan on Freedom -- Chapter 5: Choice vs Interaction in Public Choice: Discerning the Legacy of The Calculus of Consent -- Chapter 6: Constitutional Change: No Escaping Hayek -- Chapter 7: The bioeconomics of scout bees voting-with-the wings using less-than-unanimity voting rule: Can bees count, quorum-sense, etc.? -- Chapter 8: James Buchanan and Gordon Tullock, A Half-Century On -- Chapter 9: The Politics of Medicine -- Chapter 10: Tullock, Tideman, and the Origins of the Demand-Revealing Process -- Chapter 11: Public Choice and Two of its Founders: An Appreciation -- Chapter 12: Public Choice in the Big Sky -- Chapter 13: The Public Choice Revolution and Principles of Economics Texts -- Chapter 14: The Calculus of Consent, Fifty Years Later: A Personal Tribute to James Buchanan and Gordon Tullock -- Chapter 15: James M. Buchanan and Gordon Tullock: A Reflection on Two Disruptive Economists -- Chapter 16: Public Choice and Public Life.
Sommario/riassunto	In 1962, economists James M. Buchanan and Gordon Tullock published The Calculus of Consent, in which they developed the principles of

public choice theory. In the fifty years since its publication, the book has defined the field and set the standard for research and analysis. To celebrate a half-century of scholarship in public choice, Dwight Lee has assembled distinguished academics from around the world to reflect on the influence of this monumental publication, and, more broadly, the legacy of its legendary authors. Their essays cover a broad spectrum of topics and approaches, from the impact of public choice theory on foreign policy analysis to personal remembrances of learning from and collaborating with Buchanan and Tullock. The result is a unique collection of insights that celebrate public choice and its visionary proponents, while considering its future directions.
