

1. Record Nr.	UNINA9910440226303321
Titolo	AIEE Std No. 804: : AIEE Test Procedure and Presentation of Aircraft Generator and Regulator Characteristics // IEEE
Pubbl/distr/stampa	[Place of publication not identified] : , : IEEE, , 1983
ISBN	0-7381-4111-9
Descrizione fisica	1 online resource
Disciplina	620.00218
Soggetti	Standards, Engineering Electric generators
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Scope: The tests covered herein may be required by the aircraft and/or equipment manufacturers for proper system design. This document is primarily intended for air-blast-cooled machines.
