

1. Record Nr.	UNINA9910446333103321
Titolo	Fish diseases and disorders . Volume 2 Non-infectious disorders // edited by John F. Leatherland and Patrick T. K. Woo
Pubbl/distr/stampa	Wallingford, UK, : CABI, 2010
ISBN	1-282-54684-8 9786612546846 1-84593-630-2
Edizione	[2nd ed.]
Descrizione fisica	1 online resource (413 pages) : illustrations
Altri autori (Persone)	LeatherlandJ. F (John F.) WooP. T. K
Disciplina	571.9/17
Soggetti	Fishes - Diseases Fishes - Infections
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Contents; Contributors; Preface; 1. Introduction: Diagnostic Assessment of Non-infectious Disorders; 2. Neoplasms and Related Disorders; 3. Endocrine and Reproductive Systems, Including Their Interaction with the Immune System; 4. Chemically Induced Alterations to Gonadal Differentiation in Fish; 5. Disorders of Development in Fish; 6. Stress Response and the Role of Cortisol; 7. Disorders of Nutrition and Metabolism; 8. Food Intake Regulation and Disorders; 9. Immunological Disorders Associated with Polychlorinated Biphenyls and Related Halogenated Aromatic Hydrocarbon Compounds 10. Disorders of the Cardiovascular and Respiratory Systems; 11. Hydromineral Balance, its Regulation and Imbalances; 12. Disorders Associated with Exposure to Excess Dissolved Gases; 13. Welfare and Farmed Fish; Glossary; Index
Sommario/riassunto	Part of the ""Fish Diseases and Disorders"" trilogy, this title focuses largely on finfish. It covers non-infectious disorders of development, growth and physiology of wild and captive species, including genetic conditions, respiratory disorders, stress physiology, and environmental factors.
