Sommario/riassunto	Understanding NATO in the 21st Century enhances existing strategic

debates and clarifies thinking as to the direction and scope of NATO's potential evolution in the 21st century. The book seeks to identify the possible contours and trade-offs embedded within a potential third "Transatlantic Bargain" in the context of a U.S. strategic pivot in a "Pacific Century". To that end, it explores the internal adaptation of the Alliance, evaluates the assimilation of NATO's erstwhile adversaries, and provides a focus on NATO's operational future and insights into the new
