Sommario/riassunto	<span><span>This book examines Indian women's perception of their work and family lives at the intersection of postmodernity and tradition through the lenses of society, socialization, and agency. In interviews with seventy-seven women, this book demonstrates how India's daughters make personal and professional choices that privilege families over careers.</span></span>

Sommario/riassunto	<p>There are all kinds of ideas about what heaven will be like but many of them just don't fit with what God has said in his Word. Beam and Wilson take a humorous, insightful, and biblical look at heaven and what it will really be like. What's your picture of heaven? Will you be sitting on a cloud strumming a golden harp? Will you be singing in an eternal worship service? Will the gates be pearly and the streets paved with gold? Is the place you picture a place you would really want to spend an eternity? Does your answer disturb you? This book paints a refreshing picture of heaven from Scripture. In the process the authors answer the questions that you may not have had the courage to ask and put aside many of the myths you might have thought were true.</p>
