Sommario/riassunto	The purpose of special needs planning is to create the best possible life for an adult with a disability. This book provides comprehensive guidance on creating a life plan to transition a special needs child to independence or to ensure they are well cared for in the future. Beginning with a vision of a meaningful life for the child, Hal Wright explains how to form a practical plan to reach these goals, how to mentor personal empowerment and task skills, and how to create circles of support to sustain a life plan. He next looks at employment and residential options, and government programs avai
