

1. Record Nr.	UNINA9910449677503321
Titolo	Selected papers from the 2nd international textile clothing and design conference, Dubrovnik, Croatia [[electronic resource] /] / guest editors: Zvonko Dragcevic and George K. Stylios
Pubbl/distr/stampa	Bradford, England, : Emerald Group Publishing, c2005
ISBN	1-280-50871-X 9786610508716 1-84544-285-7
Descrizione fisica	1 online resource (144 p.)
Collana	International journal of clothing science and technology ; ; v.17, no. 3/4
Altri autori (Persone)	DragcevicZvonko StyliosGeorge K
Disciplina	620.11
Soggetti	Materials science Textile industry Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di contenuto	CONTENTS; EDITORIAL ADVISORY BOARD; Editorial; New measurement technologies for textiles and clothing; Ceremonial academic gowns of the University of Zagreb - idea to a finished product path; The advance engineering methods to plan the behaviour of fused panel; Investigation of the performance of linings; Equipment and methods used to investigate energy processing parameters of sewing technology operations; A study of the relaxation phenomena in the fabrics containing elastane yarns; Numerical optimisation of mechanical reinforcements of weak spots in textiles and garment Determining temperature regulating factor for apparel fabrics containing phase change material Analysis of 3D woven structure as a device for improving thermal comfort of ballistic vests; Fabric design considering the optimisation of seam slippage; An experimental simulation of human body behaviour during sweat production measured at textile electrodes; Protective clothing - test methods and criteria of tear resistance assessment; Uniformity and differentiation in

fashion; The analysis of the seam strength characteristics of the PES-PTFE air-jet-textured sewing threads
