Sommario/riassunto	Help your clients find the path to overcoming their addictionAlcoholics are one of the most difficult client groups to treat effectively. To preserve their way of life, they may lie about their problem or deny that one exists; that is the nature of this profoundly powerful disease. Yet if you can guide each of your clients through their own resistance towards the truth, not only will you be rewarded with starting them on the road to recovery, you will no doubt have saved their life as well. Achieving such a victory goes to the heart of being an addiction counselor; it is the experience
