	Sommario/riassunto	A new framework for helping nonprofit organizations maximize the effectiveness of their boards.Written by noted consultants and researchers attuned to the needs of practitioners, Governance as Leadership redefines nonprofit governance. It provides a powerful framework for a new covenant between trustees and executives: more

macrogovernance in exchange for less micromanagement. Informed by theories that have transformed the practice of organizational leadership, this book sheds new light on the traditional fiduciary and strategic work of the board and introduces a critica
