Sommario/riassunto	Ancient History: Key Themes and Approaches is a sourcebook of writings on ancient history. It presents over 500 of the most important stimulating and provocative arguments by modern writers on the subject, and as such constitutes an invaluable reference resource. The first section deals with different aspects of life in the ancient world, such as democracy, imperialism, slavery and sexuality, while the second section covers the ideas of key ancient historians and other writers on classical antiquity. Overall this book offers an invaluable introduction to the most important ideas, the
