Sommario/riassunto	How has the United Nations dealt with the question of terrorism before and after September 11? What does it mean that the UN itself has become a target of terrorism? Terrorism and the UN analyzes how the UN's role in dealing with terrorism has been shaped over the years by the international system, and how events such as September 11 and the American intervention in Iraq have reoriented its

approach to terrorism. The first half of the book addresses  
the international context. Chapters in this part cons
