Sommario/riassunto	The Extreme Right in France, 1789 to the Present surveys the history of a fascinating but contentious political and intellectual tradition. Since 1789 the far right has been an important factor in French political life and in different eras has taken on a range of guises including traditionalism, ultra-royalism, radical nationalism, anti-Semitism and fascism. This book is structured around the five main phases of extreme

right activity, and the author explores key questions about each:^{*}
Counter-revolution - what was the legacy of Joseph de Maistre's
writings?^{*} Anti-Third Re
