Professionalizing global management for the twenty-first century;  
Academic talent: Quo vadis? Recruitment and retention of faculty in  
European business schools; The role of business schools in society

**Sommario/riassunto**

This high profile e-book is an attempt to gather a number of opinions and visions from leaders in the field of business education. Business schools are an essential component of market economies and optimizing their competitiveness, relevance and performance is of the utmost importance. This e-book includes papers by Gabriel Hawawini, Dean of INSEAD, Peter Lorange, Nestle Professor at IMD, Angel Cabrera, President of Thunderbird, Garvin School of International Management, Paul Verhaegen, Dean of RSM, Erasmus University and Eric Cornuel, Director General and CEO of the EFMD.

Sommario/riassunto

Since World War II, when the diet and fitness industries promoted mass obsession with weight and body shape, fat has been a dirty word. In the United States, fat is seen as repulsive, funny, ugly, unclean, obscene, and above all as something to lose. *Bodies Out of Bounds* challenges these dominant perceptions by examining social representations of the fat body.
