Sommario/riassunto	Provides a new understanding of the relationship between Church and State in 20th-century Costa Rica. Understanding the relationship between religion and social justice in Costa Rica involves piecing together the complex interrelationships between Church and State - between priests, popes, politics, and the people. This book does just that. Dana Sawchuk chronicles the fortunes of the country's two competing forms of labour organizations during the 1980's and demonstrates how different factions within the Church came to support either the union movement or Costa Rica's home
