Sommario/riassunto	Featuring more than twenty illustrations, including several works of art that were rediscovered by the author and are published here for the first time, The Female Crucifix: Images of St. Wilgefortis Since the Middle Ages provides a new perspective on a very old phenomenon. The legendary bearded female St. Wilgefortis, also known by a variety of other names including "Kummernis" and "Uncumber," was the object of fervent veneration in areas of Western and Central Europe for almost half a millennium. Beginning in the fifteenth century, the legend of her dramatic
