Sommario/riassunto	A special kind of horror is reserved for mothers who kill their children. Cases such as those of Susan Smith, who drowned her two young sons by driving her car into a lake, and Melissa Drexler, who disposed of her newborn baby in a restroom at her prom, become media sensations. Unfortunately, in addition to these high-profile cases, hundreds of

mothers kill their children in the United States each year. The question most often asked is, why? What would drive a mother to kill her own child? Those who work with such cases, whether in clinical psychology, social services, law enforcement or ac
