Soggetti	Immigrants - Florida - Miami - Social conditions Minorities - Florida - Miami - Social conditions Cuban Americans - Florida - Miami - Social conditions Elite (Social sciences) - Florida - Miami Power (Social sciences) - Florida - Miami Ethnic conflict - Florida - Miami Electronic books. Miami (Fla.) Ethnic relations Miami (Fla.) Politics and government Miami (Fla.) Economic conditions
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 171-181) and index.
Nota di contenuto	Becoming American : it's not a one-way street -- Competing elites : Cuban power, Anglo conversion, and frustrated African Americans -- Working in the USA : ethnic segregation and bureaucratizing interaction -- Just comes and cover-ups : African Americans and Haitians in high school -- Making it work : interaction, power, and accommodation in inter-ethnic relations.
Sommario/riassunto	For those opposed to immigration, Miami is a nightmare. Miami is the de facto capital of Latin America; it is a city where immigrants dominate, Spanish is ubiquitous, and Denny's is an ethnic restaurant. Are Miami's immigrants representative of a trend that is undermining

American culture and identity? Drawing from in-depth fieldwork in the city and looking closely at recent events such as the Elián González case, *This Land Is Our Land* examines interactions between immigrants and established Americans in Miami to address fundamental questions of American identity and multiculturalism. Rather than focusing on questions of assimilation, as many other studies have, this book concentrates on interethnic relations to provide an entirely new perspective on the changes wrought by immigration in the United States. A balanced analysis of Miami's evolution over the last forty years, *This Land Is Our Land* is also a powerful demonstration that immigration in America is not simply an "us versus them" phenomenon.
