Freyne ON THE PILGRIM'S WAY TO THE HOLY CITY OF JERUSALEM: THE BASILICA OF DOR IN ISRAEL Claudine DauphinIndex of authors; Index of places; General index; Index of references to biblical texts and works of Josephus
Sommario/riassunto	The contributors in this book use the most recent research in key areas - the early settlements of Israel, early Israelite religion, Qumran, Jerusalem, early Christian churches - to show that ancient writings and modern archaeology can illuminate each other, but only when used

with professional care. The essays represent a new generation of archaeologists and historians, with new social, political and religious concerns who draw a fresh and vital picture of the emergence of ancient Israel.
