Descrizione fisica	1 online resource (491 p.)
Disciplina	346.56101/34
Soggetti	Women (Islamic law) - Turkey - History Sex and law - History Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 391-452) and index.
Nota di contenuto	Front matter -- Contents -- Illustrations -- Acknowledgments -- Note on Translation and Transliteration -- Maps -- Introduction -- Part One. The Setting: Aintab and Its Court -- Part Two. Gender and the Terrain of Local Justice -- Part Three. Law, Community, and the State -- Part Four. Making Justice at the Court of Aintab -- Notes -- Index
Sommario/riassunto	In this skillful analysis, Leslie Peirce delves into the life of a sixteenth-century Middle Eastern community, bringing to light the ways that women and men used their local law court to solve personal, family, and community problems. Examining one year's proceedings of the court of Aintab, an Anatolian city that had recently been conquered by the Ottoman sultanate, Peirce argues that local residents responded to new opportunities and new constraints by negotiating flexible legal practices. Their actions and the different compromises they reached in court influenced how society viewed gender and also created a dialogue with the ruling regime over mutual rights and obligations. Locating its discussion of gender and legal issues in the context of the changing administrative practices and shifting power relations of the period, <i>Morality Tales</i> argues that it was only in local interpretation that legal

rules acquired vitality and meaning.

JOB - ADVICE FROM THE FIELD. Changing Gears. Insights on Time Management. Insights on Teaching and Learning. Insights on Research. Insights on Professional Responsibility. Insights on Tenure. Insights on Academia: Needed Changes. APPENDIXES. Appendix A: Possible Items for Inclusion in a Teaching Portfolio. Appendix B: Statement of Personal Philosophy Regarding Teaching and Learning. Appendix C: Professional Associations for Academic Job Seekers in Science and Engineering. Appendix D: Questions to Ask Before Accepting a Faculty Position. Appendix E: Sample Offer Letters. Appendix F: Elements Found in Most Successful Proposals. Appendix G: Common Shortcomings of Grant Proposals. Index. About the Author.

Sommario/riassunto

Tomorrow's Professor is designed to help you prepare for, find, and succeed at academic careers in science and engineering. It looks at the full range of North American four-year academic institutions while featuring 30 vignettes and more than 50 individual stories that bring to life the principles and strategies outlined in the book. Tailored for today's graduate students, postdocs, and beginning professors, Tomorrow's Professor: . Presents a no-holds-barred look at the academic enterprise. Describes a powerful preparation strategy to make you competitive for academic positions while maintaining your options for worthwhile careers in government and industry. Explains how to get the offer you want and start-up package you need to help ensure success in your first critical years on the job. Provides essential insights from experienced faculty on how to develop a rewarding academic career and a quality of life that is both balanced and fulfilling At a time when anxiety about academic career opportunities for Ph.D.s in these field is at an all-time high, Tomorrow's Professor provides a much-needed practical approach to career development.
