Sommario/riassunto	The idea of a corporate university has taken root and is beginning to flourish. Whether that continues remains to be seen but two things are already clear: the number of organisations claiming to operate a corporate university has risen significantly over the last ten years or so; and, no doubt associated with that rise in number, interest in corporate universities on the part of professional practitioners and academic researchers has also increased.

2. Record Nr.	UNINA9911004994803321
Autore	Forza, Antonio
Titolo	L'errore invisibile : dalle indagini alla sentenza / Antonio Forza, Rino Rumiatì
Pubbl/distr/stampa	Bologna, : Il mulino, 2025
