Sommario/riassunto

Climate change is one of the major issues facing us today and has been described as a threat greater than terrorism. As the world's largest industry tourism both contributes to and will be dramatically affected by climate change. This is the first comprehensive book-level examination of the relationship between tourism and climate change, of interest not only to students of tourism but to policy makers and the industry who will have to respond to the challenges posed.

Sommario/riassunto	Des sportifs exceptionnels, des exploits exceptionnels et insoupconnes. Ces curieuses histoires du sport sont un cocktail detonnant et vivifiant de tout ce qui a fait les plus belles pages sportives de l'humanite. Des Jeux olympiques aux records mondiaux,

en passant par des aventures surhumaines, Rene Taelman fait revivre ce qui passionne l'Homme depuis toujours. Oui, le sport a une valeur d'exemple et de motivation, oui cela peut et doit etre un moyen d'integration et oui, ses valeurs sont celles du gout de l'effort, de la maitrise de soi, de l'engagement et de l'esprit d'equipe. Savez-vous
