Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. 222-236) and index.
Sommario/riassunto	This collection offers comprehensive insights into pivotal areas of concern regarding developments in Zimbabwe since its independence. By disclosing the intra-elite competition, assessing the performance of Zimbabwe's economy and explaining how the country's natural resources have been managed, we can better understand the ruling ZANU-PF's increasing reliance on the so-called war veterans and the land reform issue for its political survival.
