Jewish Identity Writ Small: The Everyday Experience of Baalot Teshuvah -- 11. Contesting Identities in Jewish Philanthropy -- Contributors -- Index
Sommario/riassunto	Diaspora, considered as a context for insights into Jewish identity, brings together a lively, interdisciplinary group of scholars in this innovative volume. Readers needn't expect, however, to find easy agreement on what those insights are. The concept "diaspora" itself has proved controversial; galut, the traditional Hebrew expression for the Jews' perennial condition, is better translated as "exile." The very

distinction between diaspora and exile, although difficult to analyze, is important enough to form the basis of several essays in this fine collection."Identity" is an even more elusive concept. The contributors to *Diasporas and Exiles* explore Jewish identity—or, more accurately, Jewish identities—from the mutually illuminating perspectives of anthropology, art history, comparative literature, cultural studies, German history, philosophy, political theory, and sociology. These contributors bring exciting new emphases to Jewish and cultural studies, as well as the emerging field of diaspora studies. *Diasporas and Exiles* mirrors the richness of experience and the attendant virtual impossibility of definition that constitute the challenge of understanding Jewish identity.
