Sommario/riassunto

View the Table of Contents . Read the Introduction . ""Beautifully written and rigorously argued, *After Whiteness* is the most important theoretical statement on white racial formation since 'whiteness studies' began its current academic sojourn. By reading debates about multiculturalism, ethnicity, and the desire for difference as part of the material practices of the U.S. university system, it engages questions of race, humanistic inquiry, intellectual labor, and the democratic function of critical thought. The result is a critically nuanced analysis that promises to solidify Mike Hill's
