Sommario/riassunto	As England's Industrial Revolution started the process of urbanization that has since characterized development throughout the world, a poet worried about the ""dark satanic mills"" that were such a fundamental part of this revolution. However, despite his misgivings, he also suggested that it was necessary for societies to arm themselves with ""chariots of fire"" and other weapons so that they could master this process. In a somewhat more prosaic poetic vein World Bank President Robert McNamara launched the bank's shelter assistance programs saying that 'If cities do not begin to deal more co
