	Sommario/riassunto	The central aim of this book is to attempt to determine the response of the classic texts of Jewish traditions to the famous dilemma posed in Plato's Euthyphro: Does God freely determine morality, or is morality independent of God?The author argues that the picture that emerges from Jewish texts is significantly more complex and nuanced than most of the contemporary Jewish philosophical literature is prepared to concede. While providing an extensive discussion of the perspective of Jewish tradition on divine command ethics, this book develops a
