Sommario/riassunto   Blueprint for Screenwriting demystifies the writing process by developing a ""blueprint"" for writers to follow for each new screenplay--from original concept to completed script. Author and international script consultant Dr. Rachel Ballon explores the writing craft and emphasizes creativity in the writing process. She blends her expertise in script analysis and writing coaching with her personal experience as a screenwriter to help writers construct their stories and

characters.Starting with the story's framework, Dr. Ballon helps readers to understand the key ""building block
