How Has Poverty Responded to Growth?; 3. The Role of Labor Markets and Safety Nets; 4. Affordable Access to Quality Services; 5. Prospects for Poverty Reduction; Appendix; Bibliography; Index   |
| Sommario/riassunto      | ""....a most interesting report. I have read it with considerable interest, and have learned a lot. It tells a clear story, and it contains a lot of interesting material.""- Anthony Atkinson, Professor Nuffield CollegeOxford University, United Kingdom ""The key conclusion of the report is that rapid economic growth is fundamentally important for job creation and, consequently, reducing poverty.""- Ewa Balcerowicz, President of the BoardCenter for Social and Economic Research, |

Warsaw, Poland While the countries of Eastern Europe and the Former Soviet Union have made significant progress in redu
