

1. Record Nr.	UNINA9910450426703321
Autore	Leonard Robert J
Titolo	Human gross anatomy [[electronic resource]] : an outline text / / by Robert J. Leonard
Pubbl/distr/stampa	New York, : Oxford University Press, 1995
ISBN	1-280-44160-7 9786610441600 1-4237-3579-X 0-19-975965-0 1-60129-986-9
Descrizione fisica	1 online resource (454 p.)
Disciplina	611
Soggetti	Human anatomy Anatomy Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	Intro -- Contents -- Introduction -- I. The Back -- The Vertebral Column -- The Muscles of the Back -- The Meninges and Spinal Cord -- II. The Thorax -- The Thoracic Wall -- The Lungs -- The Middle Mediastinum -- The Posterior and Superior Mediastinum -- The Autonomic Nervous System -- III. The Abdomen -- The Anterior Abdominal Wall -- The Scrotum, Spermatic Cord, and Testis -- The Abdominopelvic or Peritoneal Cavity -- The Posterior Abdominal Wall -- IV. The Perineum and Pelvis -- The Anal Triangle -- The Urogenital Triangle -- The Pelvis -- V. The Head and Neck -- The Skull -- The Face -- The Scalp -- The Cranial Meninges and Dural Venous Sinuses -- The Orbit -- The Neck -- The Parotid Gland -- The Deep Face -- The Craniovertebral Joints -- The Pharynx -- The Nose, Nasal Cavity, and Paranasal Sinuses -- The Oral Cavity, Tongue, and Palate -- The Larynx -- The Ear -- The Autonomic Supply to the Head -- The Cranial Nerves -- VI. The Upper Limb -- Bones and Bony Landmarks -- The Scapular Region -- The Pectoral Region -- The Axilla -- The Shoulder or Glenohumeral Joint -- The Arm -- The Elbow Joint -- The Forearm

-- The Wrist or Radiocarpal Joint -- The Hand -- Other Joints of the Upper Limb -- The Sternoclavicular Joint -- The Acromioclavicular Joint -- The Antebrachial Interosseous Membrane -- The Distal Radioulnar Joint -- VII. The Lower Limb -- Bones and Bony Landmarks -- The Gluteal Region -- The Hip Joint -- The Thigh -- The Knee Joint -- The Leg -- The Ankle or Talocrural Joint -- The Foot -- Other Joints of the Lower Limb -- The Proximal Tibiofibular Joint -- The Crural Interosseous Membrane -- The Distal Tibiofibular Joint -- The Subtalar or Talocalcanean Joint -- The Talocalcaneonavicular Joint -- The Calcaneocuboid Joint -- Index.
Z.

Sommario/riassunto

1. Introduction 2. The Back 3. The Thorax 4. The Abdomen 5. The Perineum and Pelvis 6. The Head and Neck 7. The Upper Limb 8. The Lower Limb.
