   Sommario/riassunto   Check Point NGX VPN-1/Firewall-1 is the next major release of Check
                    Point's flagship firewall software product, which has over 750,000
                    registered users. The most significant changes to this release are in the
                    areas of Route Based VPN, Directional VPN, Link Selection & Tunnel
                    Management, Multiple Entry Points, Route Injection Mechanism, Wire

Mode, and SecurePlatform Pro. Many of the new features focus on how to configure and manage Dynamic Routing rules, which are essential to keeping an enterprise network both available *and* secure. Demand for this book will be strong because Check Point is r

Sommario/riassunto	Encountering Nationalism introduces students to concepts of nationalism in an accessible, critical, and timely way. Abstract

arguments are bolstered by clear and specific examples drawn from momentous events and from the well of everyday life, such as the aftermath of September 11, beauty pageants, ethnic conflicts, and sexual respectability. Encountering Nationalism is an engaging introduction to the diverse meanings of nationalism and its most important aspects.:.; Addresses the rise of nationalism in the US post-September 11.; Brings together "culturalist" and state-centered approaches to n
