Nota di bibliografia Includes bibliographical references (p. 335-351) and index. Nota di contenuto Cover; Half-title; Title; Copyright; Contents; Preface; Textual note; Abbreviations; Introduction; 1 Imperial unrest, 1760-1775; 2 Colonial rebellion, 1775-1778; 3 International war, 1778-1781; 4 Britain defeated, 1781-1783; Postscript; Bibliography; Index This study traces the impact of the American Revolution and of the Sommario/riassunto international war it precipitated on the political outlook of each section of Irish society. Morley uses a dazzling array of sources - newspapers,

pamphlets, sermons and political songs, including Irish-language

documents unknown to other scholars and previously unpublished - to trace the evolving attitudes of the Anglican, Catholic and Presbyterian communities from the beginning of colonial unrest in the early 1760s until the end of hostilities in 1783. He also reassesses the influence of the American revolutionary war on such developments as Catholic relief, the removal of restrictions on Irish trade, and Britain's recognition of Irish legislative independence. Morley sheds light on the nature of Anglo-Irish patriotism and Catholic political consciousness, and reveals the extent to which the polarities of the 1790s had already emerged by the end of the American war.
